

Plan today to join us!

The David Liebchen Memorial Golf Outing benefitting VOICEcorps is an annual event that gathers close to 100 golfers at a beautiful private Central Ohio golf course. This year's event will return to the scenic and challenging York Golf Club. Once again, this exciting day boasts great golfing, competitive mini-games with prizes, 50/50 raffle, and catered dinner reception.

VOICEcorps enriches lives by reading printed news and other information to people who are blind, have low vision, or other conditions that prevent reading. In addition to those that have ophthalmological disease progression and illness-related vision loss, people that have multiple sclerosis, Parkinson's, Alzheimer's, dyslexia, or a number of other conditions limiting reading physical print are our **neighbors, community members, family, and friends that deserve information equity.**

This year, support the 21st Annual David Liebchen Memorial as corporate sponsor, hole sponsor, donor, or golfer. Show your commitment to information equity and advocate for the independence of Ohioans whose lives can be enhanced with VOICEcorps.
